HISTORY

ALPHA SERVICES, an ISO-90001 certified firm was promoted as a light engineering unit in the year 1982. The promoter, Mr. J. A. GANDHI, has a Masters in Structural Engineering from Stanford University, U.S.A., and is also the promoter of an Architecture and Project Consultancy firm M/s. JAYANT GANDHI ASSOCIATES.

The Chief Executive Officer, Mr. RAGAN J. GANDHI, is a management graduate from the Barry University, U.S.A. and is assisted by professionally qualified and trained managerial and engineering team.

Personal Lifts, EOT & Goliath Cranes and wire rope hoists are being manufactured based on in-house know how & technology. We have manufactured Goliath Cranes of 175 Ton Capacity for leading contractors in India. Over the years the company has grown and expanded its activities into full-fledged manufacturing of construction machinery by absorbing technology from renowned European Company viz., MANITOU BF of France, for manufacture of Mobile Tower Cranes, and Soima, Portugal for the manufacture of Fixed Tower Cranes.

Description	Unit-I	Unit-II	Total
Total Area	7325m ²	11688m ²	19013m ²
Covered Area (Plant)	3660m ²	5380m ²	9040m ²

Product Range
1. EOT Cranes (Single/Double Girder)
2. Goliath Cranes (Single/Double Girder)
3. Overhead Cranes & Jib Cranes
4. Electric Wire Rope Hoist
5. Traverser
6. Mobile Tower Cranes
7. Fixed Tower Cranes

BRIEF INTRODUCTION

Alpha is one of the established ISO-9001:2015 companies that primarily deal in material handling equipment's. We provide total solutions from designing to manufacturing and installing/commissioning of such equipment. Our core competence lies in manufacture of Gantry/EOT, Goliath, Mobile Self-Erecting and Fixed Tower cranes. In addition to our cranes, we also provide COW's (Cell On Wheels), Transfer Trolleys, Hoists & Traversers.

We have a highly experienced design team supported by latest design software like STAAD and Solidworks backed by a manufacturing & testing infrastructure, which is unmatched in crane industries, leading to fastest possible deliveries and fulfilment of our commitment of quality, cost & delivery.

QUALITY POLICY

Alpha Services is committed to supply innovative products with consistent quality and durable performance backed by national wide service network for total customer satisfaction.

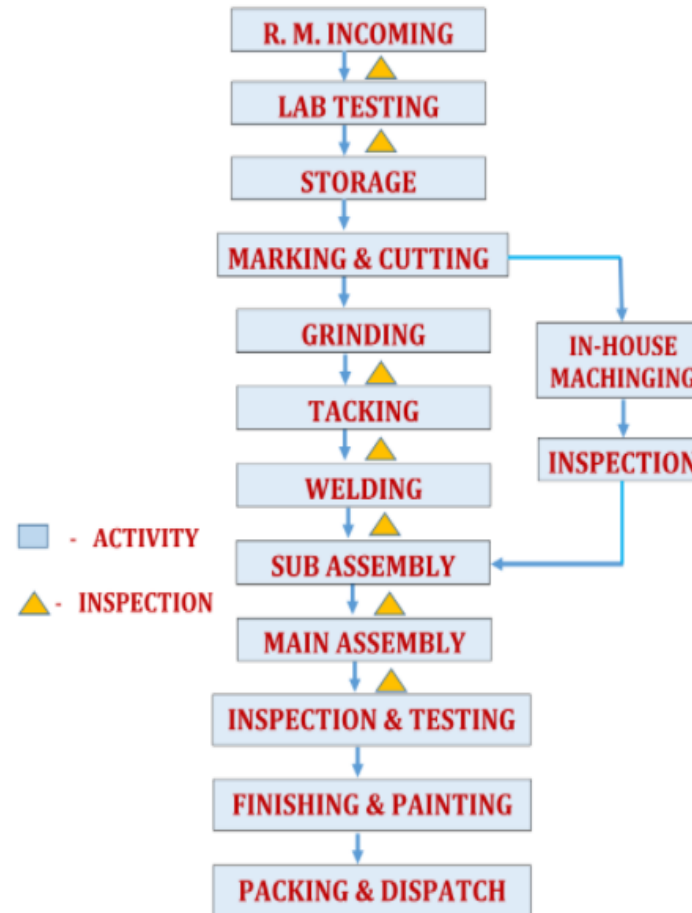

ORGANIZATIONAL CHART

MANUFACTURING FLOW CHART

- Over 11,000 Sqm of covered area with adequate no. of OH Cranes, Forklifts & PnC cranes.
- 325 KVA of power generation facility apart from regular power supply ensuring uninterrupted production and on-time delivery.,
- Well established Quality Assurance Department supported by in house Chemical Laboratory for chemical analysis of steel plates, forgings and bars etc.

- In house ultrasonic testing facility to detect in-depth hidden defects..
- Xray viewing facility, hardness testing and fleet of measuring instruments.
- Weld process control through regular training of welders and destructive test.
- In-house load test facility upto 200 Tonnes.
